

## Future

The Revivalists

Sometimes it seems like I'm the only one who knows how it feels  
Like every morning's just another day to run on the wheel, the wheel

You had me turning round in circles drawin' pictures in my mind  
You wanna come on over then you're gonna get me

You get me high (So high)  
You get me high (So high)  
You get me high (So high)  
I'm seeing the future so bright

It wasn't over till I told you what you wanted to hear  
That doesn't change the fact that we attract the things that we fear

You had me turning 'round in circles drawing pictures in my mind  
If you wanna come on over then you're gonna get me

You get me high (So high)  
You get me high (So high)  
Oh, you get me high (So high)  
I'm seeing the future so bright

It's hard to see the sunlight sometimes  
It's hard to see the sunlight so bright  
It's hard to see the sunlight sometimes  
It's hard to see the  
So hard to see the

You get me high (So high)  
You get me high (So high)  
You get me high (So high)  
I'm seeing the future so bright

I'm seeing the future (I'm seeing the future)  
I'm hearing the truth for the first time  
Don't feel like it used to (Don't feel like it used to)  
I'm seeing the future so bright  
So bright
