

# Monster

The Revivalists

She said she wanna tell me everything all night long  
She said she wanna get her name into a song  
So we go dancing in the daylight and everything is good right now  
I can hold my pain in and we can have our love for a while

But you better stop and save yourself  
You could have anyone else  
Stop, save yourself  
You could have anyone else  
Stop, save yourself  
You could have anyone else  
Stop, save yourself  
You better save yourself

She said she wanna get up into my biz for a day  
And I could have her I could keep her but I can't make it rain  
So I'm listening to the rain drum listening to the silent sound  
, yeah  
While I'm hearing everybody else screaming out loud

Boy you better stop, save yourself  
You could have anyone else  
Stop, save yourself  
You could have anyone else  
Stop, save yourself  
You could have anyone else  
Stop, save yourself  
You better save yourself  
You better save yourself

Yeah I'm sleeping with a snake tonight  
And nowadays what's wrong feels right  
I was a bastard of the worse kind  
I looked you in the eyes still told you a lie  
Drinking cheap champagne, no I can't complain  
Pushed into the lights these are the pressures of fame  
And it's still all good there's only one thing wrong  
You know what it is and I told you  
Well I'm a monster

I'm turning into a monster  
And I don't want to be a monster anymore, no  
I've got to leave you alone  
But I can't leave you alone
