

Need You

The Revivalists

I don't need you brain playing tricks on me
I don't need you double vision that which I sometimes see
I don't need you heart always beating on me
I don't need you pit in my stomach
I don't need you shaky knees

I don't need you
I don't need you me
I don't need you
You need me
You need me

I don't need you legs refusing to stand
I don't need you blood boiling
I don't need you grabbing hands
I don't need you lungs always getting out of breath
I don't need you bloodshot eyes refusing me my rest

I don't need you
I don't need you me
I don't need you
You need me
You need me
You need me
You need me

I don't need you
You need me
I can't live without you, no no no
I don't need you
I don't need you
I can't live without you
You need me

I don't need you
You need me
I don't need you
I don't need you
You need me
You need me
