

Soulfight

The Revivalists

Isn't anybody home in here
It's getting cold and I just don't care
So I'm gonna find something else to do
Just take a really good look at me
I'm 22 and I still don't see why
All of you people can't get along anymore
Falling down ain't so hard to do
Your only crutch be the bottle of brew
So I'm gonna find something else to do uh huh
Cuz if I ever was to say to you
All the things that you wanted me to love
Then I'd have to find something else to do uh huh

So I'm gonna stand here by your fire
Cuz it's a cold one tonight
I'm taking care of soulfight
And you're the reason why
I don't ask questions, I don't tell no lies
And that's the reason why
I'm taking care of soulfight
And you're the reason why

Oh my god I almost died last night
Wrecked my car and totaled my life
So I'm gonna find something else to do uh huh
Cuz if I ever was to say to you
All the things that you wanted me to love
I'd have to find something else to do uh huh

So I'm gonna stand here by your fire
Cuz it's a cold one tonight
I'm taking care of soulfight
And you're the reason why
I don't ask questions, I don't tell no lies
And that's the reason why
I'm taking care of soulfight
And you're the reason why
Ohh you're the reason why
You're the reason why...
Ohh you're the reason why..

So mother Mary won't you come sing a song for me
And make it last all damn night
Cuz you know I can't hang on you see
While this noose pulls me so tight
We'll ill scratch and bleed from my finger nails
Until every bit of me was gone
Cuz I didn't want her and I didn't need her
So now I leave it alone

So I'm gonna stand here by your fire
Cuz it's a cold one tonight
I'm taking care of soulfight
And you're the reason why
I don't ask questions, I don't tell no lies
And that's the reason why
I'm taking care of soulfight

And you're the reason why
Oh you're the reason why
Oh you're the reason why
Oh you're the reason why
