

Reckless

The Reytons

Nighttime never stayed that pretty
Six down and another four ready to go
But there's tension in this city
Moons lights tonight and that's inevitable
And they move so unpredictable
Eyeballs outside he's looking at

You will be fine until you cross the line but the line doesn't fight til the
y want what you do

When it all kicks off the more you better run
From the broken bottles and then reckless scum
All kicks off the more you're gonna learn
If you play with fire you will get burned
Saying na na na na na na na na na na na na na na na na
Saying na na na na na na na na na na na na na na na na

Face down on the concrete paving
No strength but the guy didn't turn up alone
Hands tied, no fight, no bailing
It's right this ride ain't taking you home
Stay calm don't give him a chance to move
Fists clenched, look twice, he's waiting for

You turn back to fight then they all will attack while your thrown in the ba
ck til they want what you do

When it all kicks off the more you better run
From the broken bottles and the reckless scum
All kicks off the more you're gonna learn
If you play with fire you will get burned
Saying na na na na na na na na na na na na na na na na
Saying na na na na na na na na na na na na na na na na

Time wasting, no chasing
Smug faces look so complacent
Heart racing, mind pacing
Locked in the back and time facing
One rule for one never treat you the same
You're just a pawn in the part of his game
Reckless [?] living up to their names
Til they opened the [?] and [?]

When it all kicks off the more you better run
From the broken bottles and the reckless scum
All kicks off the more you're gonna learn
If you play with fire you will get burned
Saying na na na na na na na na na na na na na na na na
