

# Uninvited

The Reytons

Out of control  
They decided who's invited  
What's rock and roll  
Made inside and expedited

Sick of the knocking  
And all the dodging and blocking  
'Cause we've been constantly rocking  
A single door that they're locking  
But it was never for nothing  
We dropped a ball in a stocking  
And swung it round the fucking room  
Until we battered the problem  
And now we

We're on the inside  
And now we  
We're on the inside

Leave 'em on the outside  
Turn your back and lock those doors  
And never let 'em get by  
They're not what you're looking for

They're never in the running  
Never get a look in  
Never on the line up  
And they'll never get a booking  
But they keep pushing  
And they keep pulling  
Now they broke the door and look  
They let a fucking ball in

We're on the inside  
And now we  
We're on the inside  
Take, take the lot now

Out of control  
They decided who's invited  
What's rock and roll  
Made inside and expedited

Sick of the knocking  
And all the dodging and blocking  
'Cause we've been constantly rocking  
A single door that they're locking  
But it was never for nothing  
We dropped a ball in a stocking  
And swung it round the fucking room  
Until we battered the problem  
And now we

And now we  
We're on the inside  
And now we  
We're on the inside
