

# Flying Saucer Attack!

The Rezillos

There's a threat approaching from the stars  
All the horrors from Venus and Mars  
Everybody better be on guard  
When the Flying Saucers land  
Watch the skies above the horizon  
For the spies who have no flies on  
When they appear through the stratosphere  
Better lock yourself inside

Flying Saucer Attack  
I'm never coming back  
Oh, oh oh  
Until it's over

Laser beams and gamma projectors  
There'll be nothing on earth to protect us  
When they arrive out of the sky  
They'll be frying us alive  
Call out the Army and United Nations  
Alert the Police and Airforce Stations  
Tell everybody to run and hide  
Because the end is near at hand

Flying Saucer Attack  
I'm never coming back  
Oh, oh oh  
Until it's over

Flying Saucer Attack  
I'm never coming back  
Oh, oh oh  
Until it's over  
Oh, oh oh  
Until it's over  
Oh, oh oh  
Until it's over
