

# Rorschach Blots

The Ridleys

Give me time and I will learn the art  
Of choosing my mind over my heart  
Staring at the shadows all alone  
Driven by the longing to go home

'Cause honestly  
It feels so safe around you  
It's unsettling

She don't know what it means but it doesn't matter  
The fact is I can't forget her  
All these Rorschach blots  
Bottles of scotch are driving me insane  
In every single circumstance  
We see things in a way that makes more sense  
All these Rorschach blots  
Bottles of scotch are messing with my brain

Build a wooden boat to sail away  
From all the sins that haunt you everyday  
As you drift there's nothing left to save  
You say "Starlit ocean, you will be my grave"

And honestly  
It feels so safe around you  
It's unsettling

She don't know what it means but it doesn't matter  
The fact is I can't forget her  
All these Rorschach blots  
Bottles of scotch are driving me insane  
In every single circumstance  
We see things in a way that makes more sense  
All these Rorschach blots  
Bottles of scotch are messing with my brain

I don't know what it means but it doesn't matter  
The fact is I can't forget her  
All these Rorschach blots  
Bottles of scotch are driving me insane  
In every single circumstance  
We see things in a way that makes more sense  
All these Rorschach blots  
Bottles of scotch are messing with my brain

In every single circumstance  
We see things in a way that makes more sense  
In every single circumstance

We see things in a way that makes more sense  
All these Rorschach blots  
Bottles of scotch are messing with me
