

Stay

The Ridleys

Raven Black, we made a pact to stay till the bitter end
But now you want to leave and I don't want you to pretend
To love me
No you don't love me
That's okay I'll be just fine
This was not a waste of time

I'm not asking you to stay
If you're gonna lie straight to my face
Just tell me honestly
If we're not meant to be

I'm not asking you to stay
If you're gonna lie straight to my face
Just tell me honestly
If we're not meant to be

'Cause I'm not asking you to stay
If you're gonna lie straight to my face
Just tell me honestly
If we're not meant to be

'Cause I'm not asking you to stay
If you're gonna lie straight to my face
Just tell me honestly
If we're not meant to be

Raven Black, we made a pact to stay till the bitter end
But now you want to leave and I don't want you to pretend
To love me
No you don't love me
That's okay I'll be just fine
I was yours and you
Were mine
