

## Hallelujah I Love Her So

The Righteous Brothers

Let me tell you 'bout a girl I know  
She is my baby and she lives next door  
Now every morning when the sun comes up  
She brings me coffee in my favorite cup

That's why I know, yes, I know  
Hallelujah, I love her so

When I'm in trouble and I had no friends  
She is my friend until the end  
Everybody asks me how do I know  
I smile a damn and say she told me so

That why I know, yes I know  
Hallelujah, I love her so

Now if I call her on the telephone  
And tell her that I'm all alone  
By the time I count from one to four  
I hear her on my door

In the evening when the sun goes down  
And there is nobody else around  
She looks at me and she holds me tight  
And tell me, baby, everything's alright

That's why I know, yes I know  
Hallelujah, I love her so  
Yes I know, yes I know  
Hallelujah, I love her so
