

Secret Love

The Righteous Brothers

Now, I shout it from the highest hills
Even told the golden daffodils

Once I had a secret love
That lived within the heart of me
All too soon my secret love
Became impatient to be free

So I told a friendly star
The way that dreamers often do
Just how wonderful you are
And why I'm so in love with you

Now, I shout it from the highest hills
I even told them crazy daffodils
At last my heart's an open door
And my secret love's no secret anymore

At last my heart's an open door
And my secret love, my secret love's no secret anymore

Everybody loves
