Higher

Riot V

I'm staring into the future
Wondering what lies ahead
If I stay on this track I'm running
I know I will wind up dead

Wide eyed looking
For the easy way
Foolish choices
Have lead me astray

Higher
I have the power to alter my fate
Higher
I want to rise and I pray it's not too late

What's done it simple pleasures
Became a string of mistakes
But I'll leave the missteps behind me
No matter what it takes

No more looking
For the easy way
Foolish choices
Won't lead me astray

Higher
I have the power to alter my fate
Higher
I want to rise and I pray it's not too late

No more looking
For the easy way
Foolish choices
Won't lead me astray

Higher
I have the power to alter my fate
Higher
I want to rise and I pray it's not too late
Higher (Higher)
I have the power to alter my fate
Higher (Higher)
I want to rise and I know
And I know it's not too late
