## **Another World**

**The Roches** 

By Maggie, Terre and Suzzy Roche

I don't feel that great today I have never felt that great Don't tell me to exercise Don't tell me it's what I ate

There's got to be another world Oh yeah oo oo oo baby There's got to be another world Oh yeah oo oo oo baby

I'm the kind of person who Likes to sleep all day and night Too bad I'm sleeping by myself Nobody's here to hold me tight

There's got to be another world Oh yeah oo oo oo baby There's got to be another world Oh yeah oo oo oo baby

Think how good just normal feels A helmet on my head Constant flow of ice cream in I'd be as good as dead

There's got to be another world Oh yeah oo oo oo baby There's got to be another world Oh yeah oo oo oo baby
