

## Hammond Song

The Roches

If you go down to hammond  
You'll never come back  
In my opinion you're  
On the wrong track  
We'll always love you but  
That's not the point

If you go with that fella  
Forget about us  
As far as I'm concerned  
That would be just  
Throwing yourself away  
Not even trying  
Come on you're lying to me

Well I went down to hammond  
I did as I pleased  
I ain't the only one  
Who's got this disease

Why don't you face the fact  
You old upstart  
We fall apart

You'd be okay if you'd  
Just stay in school  
Don't be a fool

Do your eyes have an answer  
To this song of mine  
They say we meet again  
On down the line  
Where is on down the line  
How far away?  
Tell me I'm okay

If you go down to hammond  
You'll never come back
