

Aloha, Hello

The Rocket Summer

Aloha, hello
Hello, oh no
Aloha, hello
Hold on, we don't go slow

Tamed dragon inside my chest
Stick out my tongue on it, light a match, light a match
Inhale one final last
Patient breath

Aloha, hello
Hello, oh no
Aloha, hello
Hold on, we don't go slow

How I get by, I'll rest when I die
No rest 'til I set the records on fire
How I get by, I'll rest when I die
No rest 'til I set the records on fire

Hoaxer folk officers
Yes ma'am, yessir
Nice to meet, your pleasure
Now watch my tires
Watch my tires
Watch my tires burn

Aloha, hello
Hello, oh no
Aloha, hello
Hold on, we don't go slow

How I get by, I'll rest when I die
No rest 'til I set the records on fire
How I get by, I'll rest when I die
No rest 'til I set the records on fire
How I get by, I'll rest when I die

Is it making, making you trip

Aloha, hello
Hello, oh no
Aloha, hello
Hold on, we don't go slow

It's how I get by, I'll rest when I die
No rest 'til I set the records on fire
No rest 'til I set the records on fire
How I get by, I'll rest when I die
No rest 'til I set the records on fire
How I get by, I'll rest when I die
No rest 'til I set the records on fire
