

# Time Is a Devil

The Rocketboys

I was thinkin about all of our futures  
And everything that we could see was at our fingers  
You stepped out of the equation  
Didn't wanna see didn't wanna see you again

Ohh Ohh

I don't wanna talk I don't wanna talk about it [x2]

Now I've got doubts and I've got walls that I've built "to keep  
you out"  
And now there's holes in both of my boots from walkin by myself  
and although time can be a devil I believe it  
I don't wanna meet I don't wanna meet him again

Ohh Ohh

I don't wanna talk I don't wanna talk about it [x2]

Cause I'm scared and I'm hurt and I cannot find the words  
I don't wanna talk I don't wanna talk about it  
I've been holding my tongue I've been holding my tongue now for  
years  
what did I ever get from it [x2]

I don't wanna talk I don't wanna talk about it [x4]

Cause I'm scared and I'm hurt and I cannot find the words

I don't wanna talk I don't wanna talk about it
