

# Yesterday Papers

The Rolling Stones

Who wants yesterdays papers

Who wants yesterdays girl

Who wants yesterdays papers

Nobody in the world

After this time I finally learned

After the pain and hurt

After all this what have I achieved

I've realized it's time to leave

Cause

Who wants yesterdays papers

Who wants yesterdays girl

Who wants yesterdays papers

Nobody in the world

Living a life of constant change

Every day means the turn of a page

Yesterdays papers are such bad news

Same thing applies to me and you

Who wants yesterdays papers

Who wants yesterdays girl

Who wants yesterdays papers

Nobody in the world

Seems very hard to have just one girl

When there's a million in the world

All of these people just can't wait

To fall right into their big mistake

Who wants yesterdays papers

Who wants yesterdays girl

Who wants yesterdays papers

Nobody in the world
