

## 21 and Over

### The Romantics

21 and over  
You ain't got no past  
Can't stay here  
Somebody's gonna kick your ass  
You don't wanna stay  
They won't let you play  
In a grown-up world

21 and over  
Put away your toys  
Grow up fast  
Men can't act like boys  
You don't wanna stay  
They won't let you play  
In a grown-up world

Shut up, sit up, stand up, grow up  
Better do what they say  
Wise up, dress up and don't you ever mess up  
No way

21 and over  
Watch your P's and Q's  
Stay in line, follow all the rules  
You don't wanna stay  
They won't let you play  
In a grown-up world
