

Forever Yours

The Romantics

Before you go
I've got a secret to share with you
You'd never know
A certain someone's gonna miss you
I'll see you around
This world is yours, it's for the takin'
If you settle down
I hope it keeps your heart from breakin'

I don't wanna change your mind
(I don't wanna change your mind)
Think it over, take your time
(Think it over, take your time)
I never felt this way before and I'm forever yours

Every time I see you
I always turn so shy
I wanna say it, I can't delay it
It's been so built up inside
Oh, oh, oh, oh

So come back to me
It's not the same when I'm without you
Could just wait and see
I don't know what it is about you

'Cause every time I see you
I always turn so shy
And I wanna say it, I can't delay it
It's been so built up inside

I don't wanna change your mind
(I don't wanna change your mind)
Think it over, take your time
(Think it over, take your time)
I never felt this way before and I'm forever yours
And I don't wanna change your mind
(I don't wanna change your mind)
Think it over, take your time
(Think it over, take your time)
I never felt this way before and I'm forever yours
I'm forever yours
