Mystified

The Romantics

Girl, you got me mystified
Girl, you got me mystified

Since I met you, girl
I laid my heart on the line
Goin' outta my way
I believed you were mine

You're not satisfied
My hands are tied
I'm all mixed up
I'm just mystified

Girl, you got me mystified
Girl, you got me mystified

I can't forget you, girl
Run to you time after time
But I won't be betrayed
I found you're just not my kind

You're not satisfied
My hands are tied
I'm all mixed up
I'm just mystified

Girl, you got me mystified
Girl, you got me mystified

Do I have to fight?
Well, do you think that I'm wrong?
Is there an end in sight?
A-what was goin' is gone

I just don't know
I can't let go
My mind says yes
My heart says no

Girl, you got me mystified
Girl, you got me mystified

Girl, you got me mystified
Girl, you got me mystified

Girl, you got me mystified
Girl, you got me mystified
