

I'm On the Wagon

The Ronettes

(No kissin', no huggin', I'm on the wagon)

Woah, ever since you've been gone nobody's held me tight

(I'm on the wagon)

I've been all alone all of the day and night

(I'm on the wagon)

I'm a-keeping to myself

I don't want nobody else

I'm on the wagon 'til you come back to me

(I'm on the wagon) No kissin'

(I'm on the wagon) No huggin'

(I'm on the wagon) No lovin', no lovin' 'til you come back to me

Other boys have asked me out but, darling, I won't go

(I'm on the wagon)

When they ask me for a kiss I always tell them no

(I'm on the wagon)

You don't know my love is true

But I'll keep waiting until you do

I'm on the wagon 'til you come back to me

(I'm on the wagon) No kissin'

(I'm on the wagon) No huggin'

(I'm on the wagon) No lovin', no lovin' 'til you come back to me

Woah, I'm a-keepin' to myself

I don't want nobody else

I'm on the wagon 'til you come back to me

(I'm on the wagon) No kissin'

(I'm on the wagon) No huggin'

(I'm on the wagon) No lovin'

(No lovin') I need lovin' 'cause

I'm on the wagon

(I'm on the wagon)

Oh yeah (I'm on the wagon) uh huh

(I'm on the wagon) Woah yeah

(I'm on the wagon)
