

## Lover Lover

The Ronettes

If you want all my lovin', lover  
Just call on me, say (lover, lover)  
And if you want all my feelings, baby  
Just call on me, say (lover, lover)

I'll give you the best of things  
That your heart desires baby, baby  
All the love without no strings, yeah  
All right

If you want all my lovin', lover  
Just call on me, say (lover, lover)  
And if you want all my feelings, baby  
Just call on me, say (lover, lover)

I'll give you the best of things  
That your heart desires baby, baby  
All the love without no strings, yeah  
All right, I said

If you want all my lovin', lover  
Just call on me, say (lover, lover)  
And if you want all my feelings, baby  
Just call on me, say (la, la, la, la, la, la lover)  
Just call on me, say (la, la, la, la, la, la lover)  
Just call on me, say (la, la, la, la, la, la lover)  
Oh yeah you got to be my lover  
Ooh, baby, you know you got to be my lover  
Oh you got to be my, ooh, oh yeah
