

## Padre

The Ronettes

All we know is we love each other  
And that is why we came to you  
Padre, Padre  
Give us your blessings of love

When we're apart we feel so lonely  
We can't wait for another day  
We don't want to hurt anybody  
But we just can't go on this way

Padre, Padre  
Give us your blessings of love

Padre, Padre  
Give us your blessings of love  
Padre, Padre  
Give us your blessings of love
