Discoteque

THE ROOP

Okay, I feel the rhythm
Something's going on here
The music flows through my veins

It's taking over me, it's slowly kicking in
My eyes are blinking and I don't know what is happening
I can't control it, don't wanna end it
There's no one here and I don't care
I feel it's safe to dance alone (Dance alone)
Dance alone (Dance alone), dance alone (Dance alone)
Dance alone (Dance alone), dance alone (Dance alone)
Dance alone (Dance alone), dance alone, dance alone

Let's discoteque right at my home
It is okay to dance alone
Dance alone, dance alone (Alone)
Dance alone (Alone), dance alone (Alone)
I got the moves, it's gonna blow

Dance alone, dance alone
Dance alone, dance alone

By dancing on my own
I'm healing wounded soul
My body shaking hard
It's breaking, have to let it go
I need to get up and put my hands up
There's no one here and I don't care
I feel it's safe to dance alone

Let's discoteque right at my home
It is okay to dance alone
Dance alone, dance alone (Alone)
Dance alone (Alone), dance alone (Alone)
I got the moves, it's gonna blow

Dance alone, dance alone
Dance alone, dance alone

Let's discoteque right at my home
It is okay to dance alone
I got the moves, it's gonna blow
It is okay to dance alone

Let's discoteque right at my home
It is okay to dance alone
I got the moves, it's gonna blow
It is okay to dance alone
