I always tried hard to be more brave And to keep the faith Now I'm gonna go my way If someone says this is doom and gloom Or that I'm out of date Still gonna go my way

And oh, oh oh, oh oh Oh, oh oh, oh

Go, go, go, I'm gonna go my way Every single day, every second Go, go, go, I'm gonna go my way Every single day, every second

Oh, oh oh, oh oh Every second Oh, oh oh, oh Every second

I gotta do what I wanna do
There is not much to say
I'm gonna go my way
I live my life and I don't wanna wait
Just give me a break
I'm gonna go my way

Oh, oh oh, oh oh Oh, oh oh, oh

Go, go, go, I'm gonna go my way Every single day, every second Go, go, go, I'm gonna go my way Every single day, every second

Oh, oh oh, oh oh Every second Oh, oh oh, oh Every second

I, I
Go, go
I'm, I'm gonna go my way
I, I
Go, go go
I'm, I'm gonna go my way

Go, go, go, I'm gonna go my way Every single day, every second Go, go, go, I'm gonna go my way Every single day, every second

Oh, oh oh, oh oh Every second Oh, oh oh, oh Every second Tištěno z pisnicky-akordy.cz
