

Ohmygodable

THE ROOP

Whoa, whoa-whoa-whoa whoa-whoa-whoa
Whoa, whoa-whoa-whoa whoa-whoa-whoa
Whoa, whoa-whoa-whoa whoa-whoa-whoa (Ooh)
Whoa, whoa-whoa-whoa whoa-whoa-whoa

Let me tell you so
You are ohmygodable
One thing that I know (Ooh)
Ohmygodable

Oh my god, oh my god

Walking around, talking
Browsing your big, stalking
What you're about
Dreaming that we're meeting
On and on
Is it really me?
I can't believe it

I cannot feel the ground
My body's tumbling down
I think you really got me falling deeper

Oh my god, oh my god, ohmygodable you are
Oh my god, oh my god, ohmygodable you are

Whoa, whoa-whoa-whoa whoa-whoa-whoa
Whoa, whoa-whoa-whoa whoa-whoa-whoa

Let me tell you so
You are ohmygodable
One thing that I know (Ooh)
Ohmygodable

Oh my god

Swearing at you, thinking
What if you see me? Hardly blinking
I don't know how to get myself together
How to be, is it really me?
I can't believe ya

Oh my god, oh my god, ohmygodable you are
Oh my god, oh my god, ohmygodable you are
Oh my god, oh my god, ohmygodable you are
Oh my god, oh my god, ohmygodable you are
