

Silly Me

THE ROOP

Aaaaah
Aaaaah
Aaaaah

Imagine you
Imagine you and me
Living so free
Where's no hatred
Where are no war drums
Only love and happiness with no fears

Silly me
Silly you
Silly us

Aaaaah
Aaaaah
Aaaaah

And when you look
With your eyes open
You see the truth
Can we change it? Do we have time?
Because lives are on the edge, do you care?

Silly me
Silly you
Silly us

Give me the power to be better
Don't say to this word - Goddamn, whatever!
And stay on my path with a knowledge of know how
Give me the power to be better
Don't say to this word - Goddamn, whatever!
And stay on my path with a knowledge of know how

Silly me
Silly you
Silly us

Aaaaah
Aaaaah
Aaaaah
