And make sure beans don't burn in the kitchen

Watch me, grand prix, champy for wealth driven
[Black Thought]
Yo, you go one for my hustle (hustle)
Two to rock rhyme (two to rock rhyme)
From the muscle kid I'm one of the illets of all time
I swing from chandeliers and wall climb
And specialize in warfares of all kind
A lot of MC's said I'm a run it down rhyme
But half the time, they run it down one of mine
Thought suffocatin em with yet another stunnin line
You dumb and blind kid, it's enlarged and underlined
[Mos Def]
What I memorized leave your whole staff pressurized
Melt down all of your artificial lies
Y'all niggaz is faker than Yellow No. 5
Swine like mono and diglyceride
My vocals got texture, you just texturized
I'm nicer than your writtens even when I'm improvised
Step into my zone get flown like fly
