## The Roots

(feat. Dice Raw, The Jazzyfatnastees)  
[voice in background]  
Yeah, you in tune to another episode in my area code  
All sorts of episodes in my area code  
Where the blocks explode, where the temperature is cold  
It's just an episode in my area code  
Another episode in my area code  
All sorts of episodes in my area code  
Where the blocks explode, ?? back and unload  
I seen it unfold in my area code  
[The Jazzyfatnastees]  
Better believe it.. cause it is co-min..  
You won't believe the site you see before your eyes..  
You won't believe the site you see before your eyes..  
[Verse One: Black Thought]  
Just push the panic button on your remote control  
Then enter the zone where our patrollers will get round cold soul  
Diddly Bo leave her feelin a saga foretold  
Who got caught 'pon the block for gold, got the old heads froze  
They peepin outta closed windows  
They not secure as they supposed I watched it all unfold  
Witness another episode with titanic panoramic view  
as this manic-depressin un-load with his gun hold  
Wild like a son sold for cash  
Guns traded for sensi and hash, crack for ass  
Entire crews pass not makin the news flash  
Brews pass a memory and spark not to blast  
Whatever Ave. transform to the war path  
Pure wrath from North down to 24th and Task  
Game slaughter half, the niggas you were prayin with  
Streets tainted with camouflage - guerilla sabotage  
My cousin's Jarette and Todd, was livin type large  
Got caught then blast crashed off on Broad and Lombard  
So many so-called hearts scarred they buried in the yard  
Lick shots at Babylon de one comfy bombard  
Kids run far from traditional credit cards scams  
Veterans is nipped in the butt with large plans  
Stick up kids is jumpin outta plated Dodge Rams  
to jam, you and your man it's mad drama and -  
[Chorus: The Jazzyfatnastees + background voice]  
Better believe it.. cause it is co-min..  
You won't believe the site you see before your eyes..  
You won't believe the site you see before your eyes..  
[background voice]  
Yo, the episodes to my area code

Where the blocks explode, where the temperature is cold  
It's just an episode in my area code  
All sorts of episodes in my area code

[Verse Two: Dice Raw]  
This is for all of my niggaz, that are R.I.P.'s  
You ain't missin nothin, life ain't what it should be  
I'll pass across soon, who know who's the enemy  
Lots of shit has changed and it's kinda fucked up to see

You remember Tauseen nigga thick slice of dream  
Go out fast for the buck do anything for the cream  
Never seen a case like this, although it's quite contagious  
He even got his little brother actin all outrageous  
From dusk to dawn, and from dawn back to dusk  
They do anything and everything, tryin to come up  
It's kinda sickenin, how the cash is so fuckin addicted  
And when I say son wild they say that that's conflicted  
Ain't nothin but a contradiction in this world we live in  
Cause the loot is for the takin, and not for the givin  
Then the youngest one, will say
