People we have got to come together
With all of the strength
Have all of the feeling ooo-yeah

Come on check out the water now now
Water Holly Wholly

We should believe
Believe in each other's dreams
Jesus left along time ago
And said he would return
But he left us a book to believe in
And in it we've got a whole lot to learn
Yeah-yeah-whoa Holly Wholly
He can't talk out
Can't walk out now

We can rock this earth's foundation
Yes we can (glory)
