

# Catch My Fall

The Rose

I wonder why it always feels like rain  
My life is like some cheap champagne  
The answers don't always seem to fit  
My glass is full, but it tastes like shit

I need a quick decision  
And a cheap reward  
I'm in my last revision  
Hey-hey-hey-hey

So I'll cry just a little bit longer  
And I'll stay two seconds more  
And I'll try to be stronger  
And I'll see if you catch my fall

I can't tell if what I did was wrong  
Still you followed me like a sing-along  
I can't tell if what I did was right  
But you let me go like your sisters kite

I need a quick decision  
And a cheap reward  
I'm in my last revision  
Hey-hey-hey-hey

So I'll cry just a little bit longer  
And I'll stay two seconds more  
And I'll try to be stronger  
And I'll see if you catch my fall

Yea yea yaaaaaa  
Yea yea yaaaaaa  
Yea yea yaaaaaaaaaaaa

I've made my last decision  
And got some cheap reward  
I need no man's permission

So I'll cry just a little bit longer  
And I'll stay two seconds more  
And I'll try to be stronger  
And I'll see if you catch my fall  
If you catch my fall  
Catch my fall  
Ya catch my fall  
Fall
