Deep inside my broken mind  
I am haunted by the things I find  
And it creeps on me like a sunrise

And it swallows me into blue skies  
Back to dawn

I'm on my way  
Spreading the sunlight  
I'm on my way

Take me from the dark  
Take me from the dark  
Take me from my sorrows  
And the shadows I'll face it  
Take me to the dawn

Deep inside my complex mind
