I wish you told me  
"Hold on to me"  
I'll be reluctant  
To turn back

The memory that I thought I'd forgotten  
It devoures me  
Where are you now

Just go away  
Stay here in my heart  
Just go away  
Stay here in my heart

I don't know me  
I'm standing somewhere in the shaking ground  
It's just that I already  
Passed you

I can't sleep  
Grab onto me  
I can't sleep  
I'm going back

I know I'm stupid  
What can I do about that?  
I have so many thing  
I couldn't do

I close my eyes and count the stars  
I still can't sleep  
Why are you still here

Just go away  
Stay here in my heart  
Just go away  
Stay here in my heart

I don't know me  
I'm standing somewhere in the shaking ground  
It's just that I already

Passed you, I can't sleep

I'm left alone, time goes by, time goes by  
I can't stop thinking about you  
Even if it's a nightmare or a dream  
I want to see you

Just go away  
You're standing in my heart  
Just go away  
Just go away

I don't know me  
I'm standing somewhere in the shaking ground  
It's just that I already  
Passed you

I can't sleep  
Grab onto me  
I can't sleep  
I'm going back

I can't sleep  
What can I do about that?  
I can't sleep  
It's only you

I know it's over  
I guess it'll be fine
