I feel tired tonight  
A word that you can't forget in a breeze  
Sorry, for not turning back  
Sorry, for selfish self of mine

The paled city lights  
A chilling voice  
Sorry, for not turning back  
Sorry, for selfish self of mine  
Sorry, even if I'm late already

Tonight  
A night with a covered face  
I'm in blurred thoughts  
Why everything is getting harder again?

I'm lonely  
A night that I'm the only lonely  
Perhaps waiting without knowing  
Why you have not called me yet?

I'm sorry don't go, don't forget me  
I'll be there with you  
I'll only see you tonight

I'm sorry, really sorry so please don't girl  
Come back to me again  
Cause without you, there's no me anymore

I feel tired tonight  
A word that you can't forget in a breeze  
Sorry, for not turning back  
Sorry, for selfish self of mine

The paled city lights  
A chilling voice  
Sorry, for not turning back  
Sorry, for selfish self of mine  
Sorry, even if I'm late already

I think of you all the night  
In memories that I'm not included  
Why everythings getting clearer again?  
I'm falling

Girl I never let you go  
Come back to me again, please  
Cause without you, there's no me anymore

I feel tired tonight  
A word that you can't forget in a breeze  
Sorry, for not turning back  
Sorry, for selfish self of mine

The paled city lights  
A chilling voice  
Sorry, for not turning back  
Sorry, for selfish self of mine  
Sorry, even if I'm late already

The eyes that looked at me before  
Your hands, I've get used to already  
Now I'm in the picture too  
But my tears have turned red  
The street I've met with you  
The hours that we spent together  
I think I can't let them go

I feel tired tonight  
A word that you can't forget in a breeze  
Sorry, for not turning back  
Sorry, for selfish self of mine

The paled city lights  
A chilling voice  
Sorry, for not turning back  
Sorry, for selfish self of mine  
Sorry, even if I'm late already
