

I know you're tired of it all  
But you can talk to me  
I know this stuff's not as easy as it's supposed to be  
Yesterday, you were just a boy  
Now you're feeling older than you ever have before  
It's as common as the flu  
As certain as the sun rising and falling over you  
I think we should have left those views  
In post-war Britain, '52

I'm sorry for being so unaware  
I'm sure that you're frightened, I'm just as scared  
'Cause I don't know what I'd do without you  
So, let me disperse the blue  
You wanna sleep for an eternity  
Fade into obscurity  
Oh, help me understand your wheel

I know you're sick of it all  
So, you should talk to me  
I know this stuff's not as easy as it's supposed to be  
Each day's a little heavier than the last  
Every morning, waking with a funeral for the past  
It's as sudden as the night  
It creeps up from behind  
As useless as smokes without a light (Hey)  
Escape to university  
Forget about your history

I'm sorry for being so unaware  
I'm sure that you're frightened, I'm just as scared  
'Cause I don't know what I'd do without you  
So, let me disperse the blue  
You wanna sleep for an eternity  
Fade into obscurity  
Oh, help me understand your wheel

Come down friendly bombs, hit the city  
Rain down, pepper the ground  
They're waiting for you  
Waiting for you  
Come down friendly bombs, hit the city  
Rain down, pepper the ground  
They're waiting for you  
Waiting for you  
Come down friendly bombs, hit the city  
Rain down, pepper the ground  
They're waiting for you  
Waiting for-

I'm sorry for being so unaware  
I'm sure that you're frightened, I'm just as scared  
'Cause I don't know what I'd do without you  
So, let me disperse the blue  
You wanna sleep for an eternity  
Fade into obscurity  
Oh, help me understand your wheel

Come down friendly bombs, hit the city (I'm sorry for being so unaware)  
Rain down, pepper the ground  
They're waiting for you (I'm sorry for being so unaware)  
Waiting for you  
Come down friendly bombs, hit the city (I'm sorry for being so unaware)  
Rain down, pepper the ground  
They're waiting for you (I'm sorry for being so unaware)  
Waiting for-
