One Step Ahead

The Rubens

One step ahead of you
Stay in motion, keep an open mind
Love is a race won by two
Your emotion with my solitude

If I stop I could lose my head
So I'm losing you instead
Either way I'm confused

You slow me down, what can I do?
There's one particular way, I have to choose

One step ahead of you
Always someone makes hard to move
She says boy I want you to stay
But I'll save it all for another day

If I stop I could lose my head
But I'm ready for romance
Either way I'm confused

I don't know what I'm supposed to do
I can only stay one step ahead of you

Stop, I confess sometimes
I don't know where I'm going
Pardon me, stay with you

I'm slowing down, what can I do?
It's hard to stay one step ahead of you

One step ahead of you
Time is running out, catching up with you
One step ahead of you
When I hold you close, can I really lose?
One step ahead, only one step ahead
She's one step ahead of you
