

# Here We Are

The Rubettes

Here we are, here we are, here we are  
Riding on a rainbow  
Here we are, here we are, here we are  
On a universal star  
Here we are, here we are, here we are  
Riding on that rainbow  
Here we are

It seems such a long time ago  
When I was standing here, and you were standing there  
Oh oh oh and we could never know  
That we would fall in love, oh oh

And after all those years  
That we have been apart  
My love for you goes on  
My love for you is strong  
I never thought I'd see you here again  
And hold you in my arms, oh oh oh baby

Here we are, here we are, here we are  
Riding on a rainbow  
Here we are, here we are, here we are  
On a universal star  
Here we are, here we are, here we are  
Riding on that rainbow  
Here we are

Why do we go and throw our lives away  
We laugh and then we cry  
But never knowing why  
I never thought I'd see you here again  
And hold you in my arms, oh oh oh baby

Here we are, here we are, here we are  
Riding on a rainbow, here we are  
Here we are, here we are, here we are  
Riding on a rainbow, here we are  
Here we are, here we are, here we are  
Riding on a rainbow, here we are
