

# Building A Boat

The Rumble Strips

buildin' a boat  
buildin' a boat  
pieces of wood  
pieces of rope  
all of my days  
buildin' a boat  
old shirts for sails  
bucket of nails  
hammerin' heart and soul

never again  
never again  
ain't worth the pain  
never again

buildin' a boat  
buildin' a boat  
climb on my love  
we're gonna float  
any which way the wind blows

never again  
never again  
ain't worth the pain  
never again

i didn't stand a chance  
the waves they grew so fast  
i didn't stand a chance

never again  
never again  
ain't worth the pain  
never again

never again  
never again  
ain't worth the pain  
never again
