

# I Love Playin' with Fire

The Runaways

My one and only shining star said  
Stick with me and I'll take you far  
Your eyes are sparkling with teenage fire  
I'll satisfy your made desires cause

I love playing with fire  
And I don't wanna get burned  
I love playing with fire  
And I don't think I'll ever learn

My heart is aching to see you play  
And I can't wait till another day  
The way you shake me is really hot  
You know how to use what you got

I love playing with fire  
And I don't wanna get burned  
I love playing with fire  
And I don't think I'll ever learn

Acting tough with looks that kill  
You got me going and I can't stand still  
My arms are dying to hold ya tight  
You're my little dark dynamite you know

I love playing with fire  
And I don't wanna get burned  
I love playing with fire  
And I don't think I'll ever learn
