

## Criminal Mind

The Ruts

Got a criminal mind, it's rather unkind  
I do it for kicks, and it's a habit that, STICKS  
You do what you wanna  
I do what I wanna do

I do it for the kicks  
And it's a habit that, STICKS

They'll put you back down and people push me 'round  
Well I do it for kicks, it's a habit that, STICKS

You do what you wanna  
I do what I wanna do

I do it for kicks  
And it's a habit that, STICKS (x3)

Well the things that are possible once you dare  
I've sussed the cake and it's on the take

You do what you wanna  
I do what I wanna do

I do it for kicks  
And it's a habit that, STICKS (x3)
