

# I Want to Be with You Tonight

The Saints

I got to be with you tonight  
Tomorrow I know that you'll be gone  
I'll be hugging my pillow baby  
What can I do with these empty arms  
Only you can love me right  
I want to be with you tonight

I want to hold you before you go  
'Cause when you're gone I'll miss you so  
Tomorrow you'll be with some one else  
I'll be alone and by myself  
You'll leave me baby and that ain't right  
I got to be with you tonight
