

Kissin' Cousins

The Saints

Well I got a gal she's as cute as she can be
Well she's a distant cousin but she's ain't too distant
for me
And we kiss - all night. I squeeze - her tight
But we're kissin' cousins and that's what makes it
allright
Well I know a gal and she taught me how to live
Yeah she gives a lot and boy she's got a lot to give
And we kiss - all night. I squeeze - her tight
But we're kissin' cousins and that's what makes it
allright
We're all cousins that I truly believe
Just little lost children of Adam and Eve
Well I got a dame and she want a lot of love
Yeah and that's the kind of trouble I want me plenty of
And we kiss - all night. I squeeze - her tight
But we're kissin' cousins and that's what makes it
alright
I said we're kissin' cousins an' that's what makes it
alright
We're all cousins, now that I truly believe
Just little lost children of Adam and Eve
Well I know a gal and she taught me how to live
Yeah she gives a lot and boy she's got a lot to give
And we kiss - all night. I squeeze - her tight
But we're kissin' cousins and that's what makes it
allright
I said we're kissin' cousins an' that's what makes it
alright
