Security

The Saints

I want security, yeah Without it I had a great loss, oh now Security, yeah And I want it at any cost, oh now

Don't want no money, right muh now, muh now, muh now I don't want no fame But security I have all of these things, yeah All of these things, yeah, now

Security, yeah That's all I want from you, oh now Security, yeah And a little love that will be true, oh

Those sweet tender lips you know they tells me that You're the one for me Darling, how can I forget How can I forget, yeah now

I want security, yeah I'm telling you, once say again, oh now Security And I want it in the end, oh

Those sweet tender lips you know they tells me that You're the one for me Darling, how can I forget How can I forget, yeah now

Alone with just a little bit of soul, right now, now, baby Darling, everything is gonna be alright One more time, just one more time, baby
