

As Tears Fall

The Samples

If you need water
I'm your rain
If you need fire
I'm your flame
If you're resisting to go or stay
Let all the angels take you away

I will carry you to the end
When life is broken all will mend
If where I'm walking isn't far enough then I'll walk farther

if you need water
I'm your rain
If you need fire
I'm your flame
I hope our children remember this good

we threw those ashes
and there we stood

as tears fall off our faces
as tears fall off our faces
off our faces
