

Drop like an 808  
(Drop like an 808)  
Drop like an 808  
Come drop that 808  
Drop like an 808  
Drop like an 808  
Drop like an 808  
808

Heard you got a lot of records, lot of records that I wanna hear  
So you better play my song, play my song, or I'm outta here  
Won't wait for nothing, you should see me now  
I started something threw the old beat out  
It ain't a problem if I like it loud  
So turn it up to amazing, to amazing

I'll make it drop like an 808  
Hit like a heavy weight  
Said you can handle it  
Come drop that 808  
Fight like an animal  
Bite like an animal  
Come drop that 808, 808  
So tonight it's time to do it, do it, do it, so loud all night  
So do it, do it, do it right now  
Cause I am waiting for your love  
So make it drop like an 808

Get an amplifier, take it outside  
Parked out front, cause you gotta sick ride  
Only one night, it's you and I  
Yeah you can run but you better not hide  
Now I am in your face, give me that bass  
We get so hot, blowing up to space  
So what's it gone take? tonight we'll wait, wait  
We'll wait for nothing, you should see me now  
I started something threw the old beat out  
It ain't a problem if I like it loud  
So turn it up to amazing, to amazing

I'll make it drop like an 808  
Hit like a heavy weight  
Said you can handle it  
Come drop that 808  
Fight like an animal  
Bite like an animal  
Come drop that 808, 808  
So tonight it's time to do it, do it, do it, so loud all night  
So do it, do it, do it right now  
Cause I am waiting for your love  
So make it drop like an 808

Ohh  
Like an 808...  
808

So tonight it's time to do it, do it, do it, so loud all night

So do it, do it, do it right now  
Cause I am waiting for your love  
So make it drop like an 808  
So tonight it's time to do it, do it, do it, so loud all night
