

Died in Your Eyes

The Saturdays

I, I, just died in your eyes, eyes.
Just died in your eyes, eyes.
Just died in your eyes.

There's a silence in the air tonight.
There's a secret we can't hide behind, no more.
There's a distance we don't dare to go,
And a million things that I don't wanna know.

Your hands are undressing me;
Your lips won't stop kissing me;
I hear you say you love me...

But baby you're lying, lying.
I see the truth your hiding, hiding.
I look at you and I, I, just died in your eyes, eyes.
Before I start crying, crying
Give a reason for trying, trying.
The one thing that keeps me alive, I, just died in your eyes, e
yes.
Just died in your eyes, eyes.

From the window I've been looking through,
I have seen the end of me and you.
Oh, oh.
And it's not about what's right or wrong.
When you wake up in the morning I'll be gone.
