

# Flashback

The Saturdays

(F-F-Flashback)

(F-F-Flashback)

Over, we were over  
Was something I never had to question  
Closure, we had closure  
But you left me unsure of a sure thing  
Seeing you getting up close to her  
Sends me back where you and I once were  
And I won't settle for second best

'Cos it's not enough  
Can't stop this heart from giving in  
One spark and it's starting up the feeling  
Shot down, thrown out, back where I begin  
Count once to ten before I fall completely  
And I realize that you love her like  
Like you did when we were both together  
Flashback to a moment and it's gone in a minute

Never, I said never  
There's nothing more I need to explain  
Ever and forever  
I don't think it can come back again  
What we had is dead and gone, it's too late  
Living in the past is just a mistake  
'Cos I'm much stronger than yesterday

'Cos it's not enough  
Can't stop this heart from giving in  
One spark and it's starting up the feeling  
Shot down, thrown out, back where I begin  
Count once to ten before I fall completely  
And I realize that you love her like  
Like you did when we were both together  
Flashback to a moment and it's gone in a minute

(Flashback)

Why do we start at the ending

(Flashback)

'Cos there's no use in pretending

(Flashback)

I'll think about it til the end of time

(Flashback)

'Cos you're always in this heart of mine  
And if I stop and think about it  
There's no way to live without it  
I keep going back to days gone by (I keep going back)

Can't stop this heart from giving in  
One spark and it's starting up the feeling  
Shot down, thrown out, back where I begin  
Count once to ten before I fall completely  
And I realize that you love her like  
Like you did when we were both together
