

# Had It With Today

The Saturdays

Woke up this morning, feeling bad  
Almost forgot what day I had  
And there was something not quite right  
Cos' everything was so against me I had no power to fight  
And I was all alone, ohhh

I've had it with today  
Wish it were yesterday  
I can't wait for tomorrow  
It's just one of those days  
When nothing goes my way  
At least I know it will past and elapse

I've fallen sick and cannot smile  
I'm hardening up inside (ooohhh)  
Even the weather shows my pain (shows my pain)  
If life were like this constantly I think I'd surely go insane  
The pitch feeds my pain  
To my veins, ohhh

I've had it with today  
Wish it were yesterday  
I can't wait for tomorrow  
It's just one of those days  
When nothing goes my way  
At least I know it will past and elapse

Oohh  
If there were no lows, there'd be no highs  
I'm glad now I've realised this low can only go  
Higher and higher...

I've had it with today  
Ohh-ohh, I've had it  
It's just one of those days  
Just one of those days, ohh-ohhh  
I wish it were tomorrow

I've had it with today  
Wish it were yesterday  
I can't wait for tomorrow  
It's just one of those days  
When nothing goes my way  
At least I know it will past and elapse

Had it with today, had it with today  
Oh-oh-whoa-oh-yeah-yeah  
Just-just want to go

Had it with today, had it with today  
Oh-oh-whoa-oh
