

On The Radio

The Saturdays

Someone found a letter you wrote me on the radio
And they told the world just how you felt
It must have fallen out of a hole in your old brown overcoat
They never said your name but I knew just who they meant
Ooooh

I was so surprised and shocked, and I wondered too
If by chance you heard it for yourself
I never told a soul just how I've been feeling over you

But they said it really loud, they said it on the air

On the radio woah oh oh
On the radio woah oh oh
On the radio woah oh oh
On the radio woah oh oh
Now now

Don't it kinda strike you sad when you hear our song
Things are not the same when we broke up last June
The only thing that I wanna hear is that you love me still
And that you think you'll be comin' home real soon woah oh

It made me feel proud when I heard him say
You couldn't find the words to say it yourself
And now in my heart I know I can say what I really feel

But they said it really loud
They said it on the air

On the radio woah oh oh
On the radio woah oh oh
On the radio woah oh oh
On the radio woah oh oh

If you think that love isn't found on the radio
Well tune right in you may find the love you lost

'Cause now I'm sitting here with the man I sent away long ago

It sounded really loud
They said it on the air

On the radio woah oh oh
On the radio woah oh oh
On the radio woah oh oh
On the radio woah oh oh
Now now

On the radio
Oh now now
On the radio
Now now
On the radio
Oh now now
On the radio

Yeah
On the radio
