

# Work

## The Saturdays

Baby the harder you work  
The further you get with me, with me  
I think you can, I think you can

Turn up, prepare and make sure  
That you can keep up with me, with me  
I think you can, I think you can

But be aware I always get what I deserve  
Keep your focus, keep your nerve  
Ready, set, go

Pick up the pace and step on it  
Rip up the place if you want it  
Work, work, you know you gotta work, work

I got the goods and I want you  
Put your boots on, baby get to  
Work, work, you know you gotta work, work

I tend to get what I want to  
Are you starting to see, to see?  
I think you do, I think you do

It's time for you to step up  
If you want to be with me, with me  
I think you do, I think you do

But don't go slow, that is not the way we play  
Slowly ain't my kinda game  
Ready, set, go

Pick up the pace and step on it  
Rip up the place if you want it  
Work, work, you know you gotta work, work

I got the goods and I want you  
Put your boots on, baby get to  
Work, work, you know you gotta work, work

Well, it's up to you how far we take this  
Yes it's up to you so take the lead  
And it's up to you so tell me what I gotta sign  
Waiting at the finish line, baby ready, set, go

Pick up the pace and step on it  
Rip up the place if you want it  
Work, work, you know you gotta work, work

I got the goods and I want you  
Put your boots on, baby get to  
Work, work, you know you gotta work, work

Pick up the pace and step on it  
Rip up the place if you want it  
Work, work, you know you gotta work, work

I got the goods and I want you  
Put your boots on, baby get to  
Work, work, you know you gotta work, work

Work, work, you know you gotta work, work  
You know you gotta work, work
